

Bill Coke Memorial Golf Tournament

In support of Partners in Process Equine Learning Centre
Friday, September 17, 2010, Stone Tree Golf & Fitness

Greetings golfers, horse lovers and friends of Bill Coke:

Partners in Process Equine Learning Centre is pleased to invite you to the first annual Bill Coke Memorial Golf Tournament to be held on Friday, September 17, 2010 at Stone Tree Golf & Fitness Club in Owen Sound.

Bill Coke was a recipient of the Toronto Dominion Bank's "Community Salute" for volunteerism in Grey County and the Queen's Jubilee Medal for his contribution to the community. He played a central role in getting Partners in Process started. Bill believed that by working with horses, troubled individuals, and particularly youth, could change their lives, gain confidence and experience some magic in what might otherwise be a hopeless situation. To bond with a horse, to care for this large animal, and to have a friend, Bill thought that this would breed responsibility and healing.

We have an exciting day planned and are sure you'll enjoy good golf, good food and great company at this special event. All proceeds of the tournament will directly support Partners in Process and remain within Grey-Bruce. A number of local charities will also benefit indirectly from this event by utilizing the services of Partners in Process Equine Learning Centre. Thank you for your support of this grass roots organization.

Friday, September 17, 2010
