## Equine Learning Centre

# HELP THE HERD

## HELP THE COMMUNITY

Partners in Process Equine Learning Centre is a registered charity. Our goal is to provide unique alternative equine assisted therapy through various programs targeting the needs of the community. We rely on grants, sponsorships, corporate and personal donations.

### Adopt a Horse

Our horses are special. Each one brings their own unique personality to our program. They are the heart and soul of the program and without them, we could not deliver this much needed resource to the community. With six program horses, the cost for the care of one horse can be overwhelming. The support of the community is essential to keep our program going. Care for one horse costs \$4,000 which includes: hay and grain, stall bedding, veterinary care, annual vaccinations, and supplements (not including emergency care), farrier hoofcare, grooming supplies, blankets.

Your gift is a necessary and vital part of keeping our program alive and well. The sponsorship of a horse supports the basic needs of the horse while allowing the session income to provide for equipment, facility maintenance, utilities, insurance and upgrades. We're asking you to help by sponsoring just part of the cost to care for one of these wonderful teachers.
